

JAVNI RAZPIS ZA (SO)FINANCIRANJE NAKUPOV RAZISKOVALNE OPREME (PAKET 25)
(PUBLIC CALL FOR THE (CO-)FINANCING OF RESEARCH EQUIPMENT (PACKAGE 25))

A. SPLOŠNI PODATKI

1. Prijavitelj - raziskovalna organizacija (RO)

(Applicant's research organization)

Evidenčna številka RO (v Evidenci RO), Naziv (Code number, Name)

1.1 Organizacijska enota raziskovalne organizacije - samo za članice v primeru javne univerze

(Research Organization Unit - only faculties within public universities)

Evidenčna številka RO (v Evidenci RO), Naziv, Fakulteta / Code number RO, Name, Faculty

2. Ime in priimek pooblaščenice osebe za raziskovalno opremo

(Number, name and surname of authorised person for research equipment)

Evidenčna številka RO (v Evidenci RO), Ime in priimek / Name and surname of the JRO authorised person for research equipment

3. Tip prijave

(Type of application)

Javna RO, ki odda prijavo brez (so)financiranja nakupov raziskovane opreme s strani drugih pravnih oseb / Public RO submitting the application

Konzorcij oz. Nacionalni konzorcij / Consortium or National consortium

4. Naziv raziskovalne opreme

(Research equipment name)

SLO

ENG

5. Nabavna vrednost raziskovalne opreme

(Research equipment purchase value)

Podatek o predračunski nabavni vrednosti je rezultat raziskave trga. Predračune hrani prijavitelj. / Information on the estimated purchase value is based on the market research. Estimates are kept by the Applicant.

Skupna nabavna vrednost / Total purchase value

(Vsebuje vse stroške nabave, vključno s pripadajočim DDV. / All costs of purchase, incl. associated VAT)

6. Značaj nakupa raziskovalne opreme (ustrezno označi)

(Status of the purchase of research equipment / tick as appropriate)

nova oprema/new equipment

nadgradnja/upgrading of the existing equipment

7. Raziskovalno področje

(Research field)

Prijava se nanaša na / The application refers to:

7.1. Raziskovalno področje

(Research field)

Veda (Discipline)

Področje (Field)

Podpodročje (Subfield)

7.2. FORD/FOS

Veda (Discipline)

Področje (Field)

7.3. CERIF - CERCS

7.4 Družbeno ekonomski cilji

(Socio-economic objectives)

7.5. Po klasifikaciji ERC (veda s področjem)

(Classification ERC (discipline and field))

B. PODATKI O NAKUPU RAZISKOVALNE OPREME

8. Terminski načrt – datum zaključka nakupa raziskovalne opreme

(Time schedule – estimated date of completing the purchase of research equipment)

Datum dostave obračunske dokumentacije - zahtevka za izplačilo ter računa/ov za raziskovalno opremo na ARIS / Date of delivery of accounting documents – request for payment

9. Znanstvena odličnost

(Scientific excellence)

Opreделите vsebino za oceno po kriteriju Znanstvene odličnosti (največje možno število točk za ta kriterij je 10 točk). Ocenjevanje bo izvedeno po petih kazalnikih / Please define the content to be assessed according to the "Scientific excellence" criterion (the maximum number of points for the respective criterion is 10). The assessment shall be performed using five indicators:

- Ustreznost raziskovalne opreme s konceptualnega, tehničnega in logističnega vidika, upoštevaje najnovejši razvoj raziskav (največje možno število točk za ta kazalnik je 2 točki) / Appropriateness of the research equipment from conceptual, technical and logistical point of view, taking into account the latest developments in the field of research (the maximum number of points for the respective indicator is 2)
- Ustreznost, pomembnost in izvirnost naslavljanja raziskovalnih vprašanj in pristopov, ki jih je mogoče obravnavati z uporabo raziskovalne opreme (največje možno število točk za ta kazalnik je 3 točke) / Appropriateness, significance and originality in addressing research questions and approaches that can be addressed by using research equipment (the maximum number of points for the respective indicator is 3);
- Pričakovana dodana vrednost v primerjavi z obstoječimi raziskovalnimi možnostmi (največje možno število točk za ta kazalnik je 2,9 točki) / Expected added value compared to the existing research options (the maximum number of points for the respective indicator is 2.9)
- Ustreznost potenciala za povečanje znanstvenega sodelovanja (največje možno število točk za ta kazalnik je 2 točki) / Appropriateness of the potential to enhance scientific cooperation (the maximum number of points for the respective indicator is 2)

10. Družbeni in gospodarski vpliv

(Social and economic impact)

Opreделите vsebino za oceno po kriteriju Družbeni in gospodarski vpliv (največje možno število točk za ta kriterij je 5 točk). Ocenjevanje bo izvedeno po šestih kazalnikih/Please define the content to be assessed according to the "Social and economic impact" criterion (the maximum number of points for the respective criterion is 5). The assessment shall be performed using six indicators:

- Komplementarnost v javnem razpisu predlagane raziskovalne opreme z obstoječo nacionalno in mednarodno raziskovalno opremo (največje možno število točk za ta kazalnik je 0,5 točk)/Complementarity of the research equipment proposed in the Call with the existing national and international research equipment (the maximum number of points for the respective indicator is 0.5);
- Potencial za povečanje prepoznavnosti raziskovalnega področja na nacionalni in/ali mednarodni ravni (največje možno število točk za ta kazalnik je 0,5 točk)/Potential to enhance the recognition of the research field at the national and/or international level (the maximum number of points for the respective indicator is 0.5);
- Izkazana potreba po raziskovalni opremi, ki je predmet nakupa za izvajanje potekajočih raziskovalnih projektov ali/in za izvajanje raziskovalnih projektov, ki so v fazi oddaje prijavnih vlog na domače in mednarodne projekte in razpise (največje možno število točk za ta kazalnik je 1,5 točke)/Demonstrated need for the research equipment that is the subject of purchase to implement the ongoing research projects or/and to implement research projects which are in the phase of submitting the application form for domestic and international projects and calls (the maximum number of points for the respective indicator is 1.5);

Seznam raziskovalnih projektov/List of research projects:

Potekajoči/Načrtovani / Ongoing/planned	Številka projekta / Project number	Naslov projekta / Project title	Vodja projekta / Project leader

11. Kakovost in učinkovitost izvedbe

(Quality and efficiency of implementation)

Vnesite podatke za kriterij Kakovost in učinkovitost izvedbe (največje možno število točk za ta kriterij je 5 točk). Ocenjevanje bo izvedeno po treh kazalnikih/Fill in the data for assessment according to the "Quality and efficiency of the implementation" criterion (the maximum number of points for the respective criterion is 5). The assessment shall be performed using three indicators:

- Ustreznost deleža (so)financiranja drugih uporabnikov raziskovalne opreme, ki so sočasno izvajalci raziskovalnih programov v okviru stabilnega financiranja največje možno število točk za ta kazalnik je 1 točka)/Appropriateness of the share of (co)financing of other research equipment users that are at the same time carrying out research programmes under the block funding scheme (the maximum number of points for the respective indicator is 1);
- Ustreznost lastnega deleža (so)financiranja največje možno število točk za ta kazalnik je 4 točke)/Appropriateness of the own share of (co)financing (the maximum number of points for the respective indicator is 4);
- Dodaten kazalnik: Izkazana namera o skupnem financiranju s priloženim podpisanim pismom o nameri ali predpogodbo ali pogodbo o sofinanciranju celotnega nacionalnega konzorcija (prijavitelj in najmanj dve JRO) o sofinanciranju in souporabi za raziskovalno opremo, katere predračunska nabavna vrednost prijavljene raziskovalne opreme je določena z javnim razpisom (največje možno število točk za ta kazalnik sta 2 točki)/Additional indicator: Demonstrated intent on joint financing with the attached undersigned letter of intent or preliminary contract or contract on co-financing the entire national consortium (the Applicant and at least to public research organisations) on co-financing and sharing the research equipment with the estimated purchase value is determined in the Public Call (the maximum number of points for the respective indicator is 2).

11.1. Sredstva, ki jih za nakup zagotovi prijavitelj

(Resources for the purchase provided by the Applicant)

Za nakup navedene raziskovalne opreme bomo zagotovili sredstva v višini najmanj

(For the purchase of the respective research equipment, we will provide the resources amounting to at least)

oziroma najmanj/or at least

glede na prijavljeno nabavno ceno/in reference to the declared purchase value.

Od tega predstavljajo:

(Of which:)

lastna sredstva javne RO/own resources of the public RO

oziroma najmanj/or at least

glede na prijavljeno nabavno ceno/in reference to the declared purchase value.

sredstva, ki jih bomo pridobili s sofinanciranjem s strani drugih pravnih oseb

(Resources obtained through co-financing by other legal entities)

(Višino sofinanciranja s strani drugih sofinancerjev dokazujemo s pisno sklenjenim podpisanim pismom o nameri, predpogodbo ali pogodbo o (so)financiranju celotnega konzorcija/nacionalnega konzorcija o (so)financiranju in souporabi raziskovalne opreme, v kateri je naveden znesek sofinanciranja, ki se nahaja v Prilogi / The amount of co-financing by other co-financiers is demonstrated by a written and undersigned letter of intent, preliminary contract or contract on (co)financing of the entire consortium/national consortium on (co)financing and sharing research equipment, also including the amount of co-financing stated in Annex 2)

oziroma najmanj/or at least

glede na prijavljeno nabavno ceno/in reference to the declared purchase value.

12. Utemeljitev nakupa raziskovalne opreme za primer, če raziskovalna oprema v Sloveniji že obstaja

(The justification for the purchase of research equipment in the event that the research equipment already exists in Slovenia)

Navedite raziskovalno organizacijo, kjer se ta raziskovalna oprema nahaja. Navedite ali lahko raziskave, ki jih nameravate izvesti s prijavljeno raziskovalno opremo lahko uporabite obstoječo opremo. Če je odgovor ne, utemeljite zakaj ne. Obrazložitev je pomembna predvsem v primeru, ko mora znanstveni svet ARIS izbirati med prijavitelji z enakim številom točk. / Please indicate the research organisation having the respective research equipment in place. Indicate whether the research you intend to carry out with the notified research equipment can use existing equipment. If the answer is no, give reasons why not. The explanation is also important in the event that the Scientific Council of ARIS should choose between applications with the same number of points.

D. Uporaba generativne umetne inteligence

Prijavitelj lahko za pripravo prijave uporabi orodja, ki temeljijo na umetni inteligenci, vključno z generativnimi sistemi umetne inteligence, v skladu s trenutnim stališčem znanstvenega sveta ERC o umetni inteligenci (december 2023: <https://erc.europa.eu/news-events/news/current-position-erc-scientific-council-ai>). Uporaba takšnih orodij ne vpliva na izključno odgovornost prijaviteljev za vsebino predloga, vključno z njegovo točnostjo, izvirnostjo, skladnostjo z veljavnimi pravili in spoštovanjem obveznosti glede intelektualne lastnine in zaupnosti. (Applicants may use artificial intelligence-based tools, including generative AI systems, to support the preparation of their application, in accordance with the Current Position of the ERC Scientific Council on AI (December 2023: <https://erc.europa.eu/news-events/news/current-position-erc-scientific-council-ai>). The use of such tools does not affect the applicants' sole responsibility for the content of the proposal, including its accuracy, originality, compliance with applicable rules, and respect for intellectual property and confidentiality obligations.)

14. Ali ste pri pripravi prijave uporabili orodja generativne umetne inteligence?

(Did you use generative artificial intelligence tools when preparing your application?)

E. IZJAVE PRIJAVITELJA

Podpisani izjavljamo, da:

- so vsi podatki v prijavi resnični;
- se strinjamo z obdelavo podatkov, povezanih z izvajanjem pogodbenih obveznosti, v skladu z zakonodajo o varstvu osebnih podatkov ter obdelavo teh podatkov za evidenco ARIS;
- prijavitelj bo raziskovalno opremo uporabljal za podporo raziskovalne dejavnosti prijavitelja ter za podporo raziskovalne dejavnosti morebitnih drugih zainteresiranih uporabnikov;
- da v primeru (so)financiranja nakupa raziskovalne opreme lahko zagotovimo stroške obratovanja in vzdrževanja opreme za čas življenjske dobe opreme;
- smo seznanjeni z vsebino Pravil za oblikovanje cen za uporabo raziskovalne opreme, obveščanje in poročanje o uporabi raziskovalne opreme, št.: 007-5/2023-1 z dne 4. 4. 2023, ki so ga dolžni upoštevati prijavitelji, ki jih bo odobreno (so)financiranje nakupa raziskovane opreme s strani Javne agencije za znanstvenoraziskovalno in inovacijsko dejavnost Republike Slovenije;
- podatek o predračunski nabavni vrednosti opreme je podan na podlagi opravljene raziskave trga. Predračun-e hranimo v našem arhivu so dostopni ARIS-u v primeru nadzora.
- sem/smo se seznanil/z Informacijami o varstvu osebnih podatkov (ARIS), ki je priloga zadevnega javnega razpisa;
- potrjujem in zagotavljam, da razpolagam z ustreznimi pravnimi podlagami za obdelavo in posredovanje osebnih podatkov posameznikov na ARIS in se zavežujem, da bom posameznike, katerih podatke bom v zvezi s prijavo na javni razpis ali v zvezi sklenitvijo ali izvajanjem pogodbe o sofinanciranju, v kolikor mi bodo dodeljena sredstva, posredoval ARIS, seznanil z informacijami o varstvu;
- pooblaščen oseba za raziskovalno opremo, ki izpolnjuje prijavo je član programske skupine;
- Nahajališče nakupljene raziskovalne opreme bo v Republiki Sloveniji.

We, the undersigned, hereby declare that:

- Information provided in the application is true
- We consent to the processing of data associated with the performance of contractual obligations in accordance with the legislation on personal data protection and the processing of the respective data for the ARIS record;
- The Applicant shall use the research equipment to support its research activities and those of any other interested users;
- In the event of (co)financing of the purchase of research equipment, we can cover the operating and maintenance cost for the lifespan of the respective equipment;
- We are informed of the content of the Rules for determining the price of research equipment, notifying and reporting the use of research equipment, No.: 007-5/2023-1 of 4 April 2023 that the applicants awarded the (co)financing of the purchase of research equipment by the Slovenian Research Agency are obliged to comply with;
- Information on the estimated purchase value is provided on the basis of the market research performed. Estimates are kept in our archive and are available to ARIS for control purposes.
- I/we have read and understood the Information on Personal Data Protection (ARIS), which is attached to the relevant public call;
- I confirm and guarantee that I have the appropriate legal basis for the processing and transfer of personal data of individuals to ARIS, and I undertake to forward ARIS to individuals whose data I will process in connection with the application for the public call or in connection with the conclusion or implementation of a co-financing agreement, if I am awarded funding, I will forward the information to ARIS and inform them about data protection;
- The authorized person for research equipment who completes the application is a member of the programme group;
- The purchased research equipment will be located in the Republic of Slovenia.

Potrjujemo zgoraj navedene izjave.
