

#	CEA PI	CEA RO	Project	Projekt	SLO PI	SLO RO Eng	CEA unit funding (indicative)	ARRS funding (total)
1	GRUEL Adrien	CEA, Direction de l'énergie nucléaire, DEN/DER/SPEX/LPE CADARACHE	Experimental validation of the gamma flux simulation scheme and measurement techniques by TLD, OSLD and ionization chamber in the mixed neutron-photon high dose rate environment of the JSI TRIGA reactor.	Eksperimentalna validacija simulacij gama fluksa in merske metode v mešanem gama-nevtronskem polju pri visokih hitrostih doze s TLD, OSLD in ionizacijskimi celicami v reaktorju IJS TRIGA.	SNOJ Luka	Jozef Stefan Institute	150 000	96 000
2	DUFRECHE Jean-François	ICSM in Marcoule UMR/CEA/CNRS LMCT MARCOULE	Ion specificity of electrolyte solutions at interfaces : an interplay between biology and separation chemistry	Ionska specifika elektrolitskih raztopin v stiku s površinami	KLEMEN Bohinc	Faculty of Health Sciences University of Ljubljana	18 000	24 000
3	RUCHON Thierry	DRF/IRAMIS/LIDYL SACLAY	Exchange of angular momentum in light-matter interaction	Izmenjava vrtilne količine pri interakciji svetlobes snovjo	De NINNO Giovanni	Univerza v Novi Gorici Ajdovscina	75 000	70 000
4	MOREL Bertrand	DRT/LETI/LPH GRENOBLE	Non-Invasive Condition Monitoring of High Temperature Steam Electrolyser	Ne-invazivno spremljanje stanja visokotemperaturne celice za elektrolizo pare	JURICIC Dani	Jozef Stefan Institute	120 000	84 000
5	Gerald RIMPAULT	DEN/DER/SPRC/LEPh CADARACHE	Mathematical methods for the nuclear data and code validation applied to improved safety of new nuclear reactor core desing	Računske metode za validacijo nuklearnih podatkov za potrebe jedrske varnosti in izboljšanje konceptov novih reaktorjev	Ivan Alexander KODELI	Jozef Stefan Institute	110 000	76 000
6	DELIC Jozo	DRF/IRCM/SREIT/LCE FONTENAY AUX ROSES	Biomarkers and Novel Therapeutic Approaches for the Treatment of Leukemia (BINAL)	Biomarkerji in novi terapevtski pristopi za zdravljenje levkemij (BINAL)	Irena MLINARIC-RASCAN	Ljubljana Faculty of Pharmacy Department of Clinical Biochemistry	30 000	70 000

503 000 420 000
