From CEA

International Affairs Division

- Dr Gérard Cognet, delegate for Central Europe
- Ms Anne-Marie Birac, bilateral European relationship
- Dr Sylvie Aniel, bilateral European relationship

– – –

This meeting is the sixth steering committee which has been settled according to the agreement signed on by the two parties on March the 27th 2006.

The Slovenian delegation visited Saclay facilities on Monday June the 21th and Tuesday the 22th (see agenda Appendix 1)

The main aim of this meeting is to select the projects which will be supported in 2011-2012.

Call for proposal 2010

The call for proposal has been prepared according to the decision of the meeting held in Ljubljana in January 2010.

Nine projects have been submitted.

Six projects have been selected for financing (see list, appendix 2).

Renewal of the agreement.

Due to their mutual benefit, both parties agree upon the idea to continue on the same basis.

Slovenian delegation draws the attention on the fact that the agreement has to be ratified in Slovenia and that takes time. That may compromise the 2011 call for proposal.

CEA (Mrs. Birac) will take, as soon as possible, the advice of CEA lawyer.

The best solution might be an extension of the duration for a new period of 5 years.

After the meeting, CEA informs that this solution is agreed. CEA will send a proposition

Next meeting

This meeting will take place in Ljubljana beginning of next year.

Two main objectives: preparation of 2011 call for proposal and finalisation of a new joint event for 2011 "late spring".

Appendix 1: agenda

Monday, 21th, 2010

8 H 30	Transfer from the hotel to CEA	Slovenian Delegation	<i>Anne-Marie Birac</i>
9 H 00	Formalities of entrance Headquarters		<i>Catherine Varieras</i>
