

## DECISION DOCUMENT

Based on the Agreement on Co-operation in Science and Technology between The Government of The Republic of Turkey and The Government of The Republic of Slovenia signed in Ljubljana on April 19, 2001 and on the call for proposals for joint research projects, announced by the Scientific and Technological Research Council of Turkey (TÜBİTAK) and The Slovenian Research Agency (ARRS) respectively in 2013, the two sides realize that:

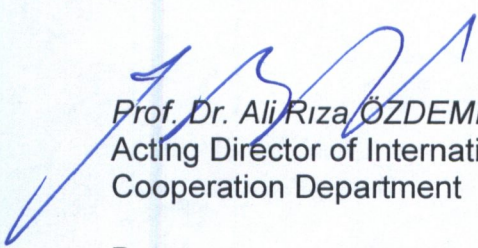

TÜBİTAK received 27 (twenty seven) and ARRS received 28 (twenty eight) proposals for joint research projects.

The project proposals have been peer-reviewed by both sides. TÜBİTAK, the Ministry of Education, Science and Sport of the Republic of Slovenia and ARRS have come to the agreement to co-finance 9 (nine) matching projects submitted to the call and after the evaluation confirmed by both sides. The approved projects and nature of support are listed in Annex 1.

The approved projects will be funded starting from March 2014 until the end of December 2016. The duration of the projects is indicated in the Annex 1.
