

Notice of revised amount of The Japan Society for the Promotion of Science (JSPS) financial support for Slovenian researchers

JSPS has revised the amount of financial support for Slovenian researchers under the Scientist Exchange Program based on Memorandum of Understanding between MHEST and JSPS. The revised amount is applied to researchers visiting after 1.4.2006.

For Slovene Scientists (Short-term visitors/Long-term visitors) JSPS will provide financial support as follows:

Maintenance allowance to cover the cost of accommodations, meals, commutation and incidentals:

- Within 31 days

- Y14,000/day, between 1 and 24 days
- Y336,000 in total between 25 and 31days

- 32 days and more

- Y336,000/month
- For the period that exceeds a month, Y14,000 will be added per day, up to Y336,000.

Supplementary allowances to cover the researcher's domestic travel expenses in Japan:

JSPS provides the Japanese host researchers up to Y50,000 to cover the following expenses:

- Visiting researcher's domestic travel,
- The host researcher's domestic travel if he/she attends the visiting researcher's travel
- Consumables and miscellaneous
- Cost of medical and accident insurance (any pre-existing illness will not be covered).
